TOTAL RESPONSE RESCUE SOLUTIONS

Respond effectively to over 95% of workplace emergencies.

Cardiac Science's new Total Response Rescue Kit can help your team respond to over 95% of the most common workplace medical emergencies. This rugged, transportable bag can be conveniently placed on the wall under the Cardiac Science AED wall case. Along with your Cardiac Science AED, this exclusive Rescue Kit contains everything you need in emergency situations to make your workplace safer and more secure.

The Total Response Rescue Kit is specifically designed to hold an emergency oxygen cylinder, oxygen tubing, oxygen regulator, personal mask with oxygen inlet, blood borne pathogens responder kit, blood borne pathogens clean-up kit, first aid kit, and an absorbent towel. Together with the Total Response Rescue Kit and Cardiac Science AEDs, they provide the complete Cardiac and First Aid solution. This exclusive bag includes four separate compartments for storing accessories and Ready Kit supplies. Having the AED, the Rescue Kit, and extra accessories readily available is critical.

To learn more about Cardiac Science AEDs and Total Response Solutions, visit our website www.cardiacscience.com, or email info@cardiacscience.com, or call 1.866.289.5649 (USA and Canada only).

The Total Response Rescue Kit conveniently under the Cardiac Science AED wall case.
